

PART SEVEN

Conclusions

Islam is the true religion of Adam and Eve and their children till the end of this world. It is simple, logical, clear, practical and comprehensive. The beauty of Islam is infinite, since it comes from the Infinite One, the Creator.

The one true God, Allah, stated in the beautiful and unaltered Qur'an:

This day I have perfected for you your religion and completed My favor upon you, and have approved for you Islam as your religion. (5:3)

Also, the same one true God told us that Muhammad is His last and final Prophet, sent to all mankind (Jews, Christians, Muslims, Hindus, Buddhists, Atheists, Agnostics, etc.).

Allah offered His guidance and light to all people and revealed the secrets and keys through which they can achieve tranquility and contentment, as well as spiritual, social, and global peace.

Islam teaches us to be just, wise, sincere, honest, objective, and open-minded in our search for the truth and when dealing with or judging others.

Searching for the truth should be based on reliable sources and authentic facts. And dealing with or judging others should be performed with justice, positive attitude, dialogue, mutual respect, and clear understanding.
